

Frankford Avenue Family Practice
A Division of Pinnacle Physicians Group, LLC
8846 Frankford Avenue
Philadelphia, PA. 19136

Please be advised our providers will **NOT** prescribe or refill any prescriptions for pain medications, sleep medications or controlled substances prescribed previously by **another provider** under any circumstances. If you are a new patient currently taking any medications that fall under these categories, you must seek treatment with a specialist who will prescribe those medications.

If you do not agree with this policy, we ask that you find another primary care office to better suit your healthcare needs.

I am aware and fully understand that my provider at Frankford Avenue Family Practice will not write or refill any previously prescribed controlled substance medications, pain medications or sleep medications under any circumstances.
